

Truework is the fastest and most accurate way to verify employment and income.

35M employees instantly verified

80%+ completion rate

<15hr median turnaround time

Verify any employee—fast

Our extensive instant network and dedicated manual verification team makes Truework your one-stop-shop for the fastest verifications.

Accurate data, always

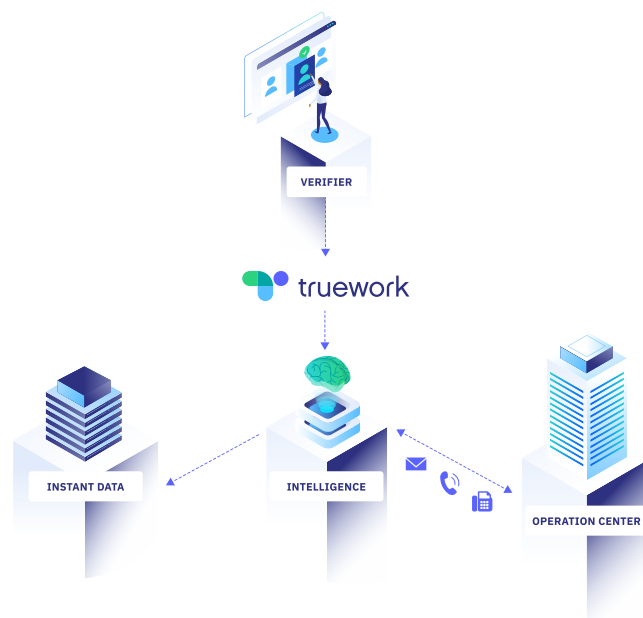

For instant, you'll get the latest payroll data for each employee and for manual, data is sourced directly from HR departments. With an automated validation engine that runs on every completed report, you can be sure the data is accurate and complete.

Industry-leading customer service

Our team is staffed with industry professionals who ensure that you're set up for success every step of the way.

Truework Teams New

The quicker and more efficient way to complete verifications.

Direct corporate billing—with multiple sources of payment such as ACH, check or credit card

Easily manage your team on Truework—admins can add, delete, manage, and set roles and permissions for all team members

Collaborate with team members

Share, collaborate, or take over verifications between team members via our request sharing and shared inbox features

Keep security first

With easy account monitoring and saved logs of all actions taken on Truework
